## \$4,000 Nopalea Promotion

Are you suffering from **INFLAMMATION** due to **BAD TOXINS** that may generate....

**ARTHRITIS PAIN - RESPIRATORY DISEASES - AGING SKIN DAMAGE - HIGH CHOLESTEROL,**

**LOW ENERGY - LIVER DAMAGES - POTENTIAL HEART DISEASE - DIABETES**

**and many....many more illnesses?**

- Are you sick and tired of taking medications with potentially dangerous side effects?
- Are you fed-up on spending your hard-earned money on products that do not work?
- Would you like to find a medicinal plant that is 100% natural and will help you regain your health?

If you say “YES” to any of these questions, here is a solution for you that will help you. I tried it and it worked for me!

The name of this new product is **NOPALEA**. It is produced by **Sonoran Bloom**, a division of **Trivita Inc.**. TriVita is a 10 year old successful health supplements Company based in Scottsdale AZ. To get complete information visit our website at [www.trivita101TEAM.com](http://www.trivita101TEAM.com) for the business opportunity or [www.trivita101HEALTH.com](http://www.trivita101HEALTH.com) for Sonoran Bloom Nopalea.

In brief, **Nopalea** is extracted only from the **red fruit** (called cactus figs, Indian figs or Tuna) of the **cactus Nopal** (called prickly pears) that grows in the **Sonoran desert**, in the south western region of the US continent. The **Nopal or Nopales cactus** contains **Betalain**, a powerful **anti-oxidant and anti-inflammatory** ingredient with a thousand years of proven healing history behind it. To read several medical studies done about **Betalain** and the **Nopal cactus** go to [www.trivita101HEALTH.com](http://www.trivita101HEALTH.com). It is very impressive. **Nopal Cactus** has over 100 independent medical studies for scientifically proven health benefits in many different areas.

Here are just a few:

For many years, I had suffered terrible pain due to my arthritis. When they looked at my X-ray, doctors always said “Oh dear” first and then they told me that I was full of arthritis. I hate the way they do that! Anyhow, after using **Nopalea for a couple of weeks**,

my arthritic **pain in my right shoulder is totally gone**. My pain in my left shoulder went from **constantly excruciating to very bearable**. I still feel my left shoulder, but it does not bother me. **I am thrilled with my personal Nopalea results.**

I am thankful to TriVita for bringing a natural solution to a very painful problem. For that reason, I decided to share my good fortune and give away 50 bottles to my family, my friends, their family, and their friends.

**Yes, you heard me well**

**50 bottles of Nopalea @ \$49.99 for FREE, yes FREE**

You only pay \$8.00 for shipping and handling. I hope that is OK with you.

As it happened to me, you may feel a fast relief of your inflammatory pain within days of taking Nopalea. However, you understand that it may take 3 to 6 months for Nopalea to deeply detoxify your body from years of toxin abuse. In re-ordering Nopalea for at least 3 to 6 months, you will then enjoy the long lasting benefits of Nopalea as your body is finally detoxified and Nopalea protects your cells from future toxin attacks.

In addition to the FREE Nopalea bottle, I will pay the \$35 onetime TriVita Affiliate Membership fee for you. Why? Because after feeling all the benefits of **Nopalea** you more likely want to re-order. Instead of paying the retail price of \$49.99, it will only be \$39.99 (+S&H) as a TriVita member. That is an incredible **20%** savings on all your future orders.

*Why is Raymond doing that?* This could be your next question. Well, it is part of my advertising budget. I can spend that money in promoting my website on the Internet or I can give you a wonderful, 100% natural, powerful anti-oxidant that will eliminate your toxins, reduce your inflammation, and, like for my arthritis, **annihilate or reduce significantly your pain.**

Please be aware that this offer is very limited. I am sending this information to a very large number of friends and family members. My accountant is limiting my advertising budget to the **first 50 selected callers.** Do not miss this opportunity to try it **FREE.** You have nothing to lose except bad toxins, inflammation, and pain. Right?

Call my son Brian at **702 378 7186** today to see if you qualify to receive your **FREE** Nopalea bottle.

With our best personal regards and love.

Raymond, Kay and Brian

#### **Information:**

Who is Trivita? Please go to our website [www.trivita101team.com](http://www.trivita101team.com) to learn about Trivita and their unique way of doing business. In brief, since 1999, Trivita used mainly TV infomercials to create **2 million customers, sell 11 million sublingual B-12 vitamins, and generate \$100 million in sale in 2008.** TriVita has **15,000 Independent Affiliate Members** following-up its 2 million customers.

In 2009, TriVita is launching its Exclusive, 100% Natural, anti-inflammatory Nopalea product. Trivita is counting on its 15,000 Affiliate Members to bring 8,000 new Affiliate Members within the next 3 months. Could that be TriVita's momentum?

**Do you have to work in selling Nopalea? Not at all, if you do not want to.** Just keep enjoying living painless through Nopalea and I will progressively build my customers/Affiliate Members network under you. IMPORTANT: You may receive a commission check from Trivita on a regular basis even if you do not personally sell or promote anything, as long as you keep receiving your Nopalea every month. At least that may help you pay for your Nopalea product and maybe more.

As they are successfully doing it for the sublingual B-12, TriVita will have TV infomercials for Nopalea in the future to generate hundreds of thousands customers. As in they did in the past, Trivita will have their Independent Affiliate Members following them up. That unique marketing concept maybe of interest to you. Why not? Again, go to [www.trivita101team.com](http://www.trivita101team.com) to learn more about it.
